ANALYSIS: (Attach a separate page if necessary)

This legislation limits the powers of eminent domain established in Title 9 and Title 29 for both the State and municipalities. Eminent Domain could not be exercised for purpose of promoting economic development, or to acquire land as part of a economic development project. In addition, eminent domain could not be exercised for purpose of developing a recreational facility or project if the land in question is the primary residence of the owner.

This legislation does not create a fiscal impact on the operations of the department.
